***Putting Safety and Quality First  
for over 20 Years***

Employing its experience in environmental abatement and remediation, Mark Cerrone, Inc. is now offering essential disinfecting and terminal cleaning services to combat the spread of COVID-19, the current coronavirus pandemic.

According to the Centers for Disease Control (CDC), “Cleaning of visibly dirty surfaces followed by disinfection is a best practice measure for prevention of COVID-19 and other viral respiratory illnesses in community settings.”

Our team provides a rapid-response to your cleaning and disinfecting needs and is available now to discuss how Mark Cerrone, Inc. can assist during this unprecedented time.

Contact Project Manager Kris Dunaway to learn more about our services or to schedule a Response Team for your location.
